

What's Changing Effective July 1, 2023 – Quick Reference Chart

The State Employee Benefits Committee (SEBC) and its Subcommittees reviewed and discussed strategies to solve for the projected Fiscal Year 2024 deficit. As the decision making body for employee and retiree benefit coverage, the [SEBC](#) is responsible for balancing the health fund budget despite rising healthcare costs, while also assuring State Group Health Insurance Plan (GHIP) members have access to high-quality, affordable benefit options now and in the future. The SEBC is committed to uphold the [mission](#) of the State GHIP which includes *helping employees and pensioners be engaged consumers*. **2023 Open Enrollment runs May 1 – 17, 2023**. This Quick Reference Chart provides a list of the SEBC's decisions and the reasons for them, as it relates to important benefit updates for the plan year beginning July 1, 2023.

SEBC and Subcommittee meetings are open to the public and provide an opportunity for public comment. You can learn more about the Committees, view past meeting materials, and access upcoming meeting dates on the [SEBC page](#) of the Statewide Benefits Office (SBO) website.

<p>Employees of State Agencies, K12 (School Districts and Charter Schools), DTCC and DSU, who are eligible to participate in the FSA plan</p> <p><i>Note: Does not apply to Participating Groups, Non-Medicare Eligible Pensioners, or Medicare Eligible Pensioners</i></p>	<p>The State will provide a one-time Flexible Spending Account (FSA) plan year contribution of \$125 for each Fiscal Year 2024 FSA participant. Employees enrolling in the FSA plan during 2023 Open Enrollment and through the first quarter of Fiscal Year 2024 will receive the full \$125. New FSA enrollments after September 30, 2023 would be prorated accordingly. The Fiscal Year 2024 plan year employee minimum for the health care and dependent care FSA plan year elections will increase to \$125 (currently \$50).</p> <p><i>Note: The \$125 plan contribution may be added to either the Dependent Care FSA or the Health Care FSA, but not to both, if you enroll in both plans. If you select to use the \$125 for dependent care, your maximum contribution cannot exceed \$4,875 since \$5,000 is the federal limit for dependent care reimbursement. If you select to use the \$125 for health care, your maximum contribution cannot exceed \$3,050, and the \$125 will be added to your election for a maximum of \$3,175.</i></p>	<p>During COVID, the balance in the FSA fund grew due to funds not being used. The IRS allows the state to make this one-time contribution to FSA participants to help reduce the balance in the FSA fund.</p>	<p>Visit the FSA page on SBO's website to learn more about the Health Care FSA and Dependent Care FSA.</p>
